When Life Gets Tough—Hang On!

As I look at the spiritual and moral decline in America, I also see spiritual and moral decline in our churches. Many people want revival to begin with a president in the White House, but in reality revival must begin with God's people in God's house!

The Scripture says in 1 Peter 4:17 (KJV), "For the time is come that judgment must begin at the house of God: and if it first begin at us, what shall the end be of them that obey not the gospel of God?"

I wonder what would happen if we, as Christians in America, would allow God to search us with His Word, and we would respond in repentance to the convicting power of the Holy Spirit?

I want revival to be more than just a subject I read about; I want it to be a reality that I experience! The real hope for America is far more than merely selecting our next president or appointing a Supreme Court justice.

Our true hope is the Divine intervention from the God of heaven as He moves upon our nation. My heart is hungry, and my soul is thirsty for a great move of God like I read about in history. My prayer is "Lord, do it again! And do it soon!"

Come join us for a good ole fashion revival.

Mark 4:37 (KJV) -"And there arose a great storm of wind, and the waves beat into the ship, so that it was now full."

Storms are scary. They are destructive and they can threaten life. When a huge hurricane named Katrina swept ashore in New Orleans, it just about ruined the city.

Jesus' disciples knew all about storms, so when they got caught in a furious squall on the Sea of Galilee, they were sure they were about to die. They expected their boat to be demolished by the storm. Jesus was asleep in their boat, so they woke him up and asked him to save them. And that's what Jesus did. He spoke to the storm and told it to be quiet.

Tough times come to everyone. Sometimes someone we love gets sick. Sometimes a friend betrays us. Sometimes there are real storms like hurricane Katrina. There are lots of scary things that can happen, but just like the disciples, we have Jesus in the boat of our life. We just have to call out to him. He will help us find a way through the worst problems we could ever have.

Father God, Thank you for being there through the good times as well as the bad. I know that with your help I can overcome anything that comes into my life. Help me trust you more. In Jesus name, I pray. Amen.
