People are simply not perfect, and we do make mistakes. It is the willingness to forgive and go on that makes relationships strong.

### Why does Sunday School matter?

Pastors say that 50-100% of lost adults will be saved within 12 months of attending Sunday School.

Research by Thom Rainer of LifeWay has shown that 83% of people attending Sunday School will still be involved in the church five years later while only 16% of those not in Sunday School will be. The Middleburg Baptist Church Youth hosted their annual Valentine's Dinner on February the ninth. It was heavily attended and everyone had a fabulous time!

They offered three choices for the main course and had beautiful desserts.

There was a photographer available with an adorable background offered for those willing to document this fun event!

Charlie and Carla Turner are dedicated mentors and we appreciate them!

We have a most wonderful group of youth and they always do an amazing job in service to others!

Golden Anniversary this week we celebrated with our pastor Bro. Johnny Maupin and his bride of 50 years Joyce. They were honored by family and friends with a celebration at our church. So blessed to have this precious couple to lead us at Poplar Springs.

In January Creston Baptist Church took a trip to Perfect North Slopes on Saturday! We had an awesome time fellow shipping, having fun, and spreading the love of Christ!

Dear Pastor,

Thanks to your partnership and the generosity of our Southern Baptist family, the Annie Armstrong Easter Offering set the amazing record of \$61.2 million given to North American missions in 2018!

Thousands of missionaries like church planters [Jorge and Rebeca Santiago](#) are continuing to be trained and resourced. Through their efforts, the lives of men, women and children in Puerto Rico, Canada, and across the United States are being transformed and disciplined.

You and your church make this possible.

As we now look ahead to the 2019 offering season, print resources should soon be arriving at your church. You can also visit [AnnieArmstrong.com](http://AnnieArmstrong.com) to view and download resources to engage your congregation.

God has given us another new year to partner together and reach the unreached in North America. Thank you for your leadership and sacrifice every day. It touches your community and the world.

Serving together,

Kevin Ezell

President, North American Mission Board

Father God, teach us to pray, Lord. We don't always know the right things to say, but we know that You do. You know what's best for our lives, and so we ask that you would give us the words. Remind us to pray throughout the day. There are so many moments, so many ups and downs in our lives and so we want to remember to stop and give thanks to You, and to stop and ask for Your help. May we be in a constant state of prayer, knowing You are always near and moving in our lives. In Jesus name, I pray. Amen.

If you can't get someone off your mind - pray for them - you may be the only one that cares enough to do so.
