

COLLEGIATE DAY OF PRAYER

Join us on February 25, 2021 for a united, multi-generational day of prayer for revival and awakening on college campuses in America.

Greetings Robie

First off, we wanted to take a moment to sincerely THANK YOU for participating in the Collegiate Day of Prayer in the past! This united, multi-generational, national day of prayer for college campuses could not have been possible without you. God has truly blessed the college campuses of our nation because of your prayers!

As we approach Collegiate Day of Prayer 2021, we want to invite you, your family, your church and your ministry to participate in the upcoming 40-day season of prayer and fasting leading up to the Collegiate Day of Prayer from Jan 17th to Feb 25th.

Years ago, a pastor asked a provoking question to a room full of praying believers: “Is our level of prayer matching the level of the need of the hour?” As we reflected on 2 Chronicles 7:14, we then began to ask ourselves: “Not only with prayer, but is our level of humility, our level of seeking, our level of repentance...matching the need of the hour?”

The times we are living in are unprecedented — they call for an unprecedented depth of response. It is no longer the hour for half-hearted measures! More than a day, will we give Him our hearts? Even more than a prayer, will we offer Him our lives? Will we return to Him wholeheartedly – in repentance, surrender and obedience?

As a way of facilitating a deeper, united heart response before the Lord, we’ve compiled a 40-Day Prayer Guide with daily devotionals and prayer responses – written by pastors and leaders from across our nation. It is available in several ways:

We hope you’ll join us over these next 40 days, as we believe and prepare the way of the Lord for another great awakening on the college campuses of our nation!

With great expectation,

Collegiate Day of Prayer Team
